

Pozdravljeni učenci,

verjetno že veste, da se letos v živo verjetno ne bomo več srečali ☹ Mogoče vas lahko potolažim tako, da vam povem naslednje: tem šolskem letu vam pri angleščini ni potrebno pridobivati novih ocen, saj smo 2. pisno preverjanje pisali v drugem ocenjevalnem obdobju, kar pomeni, da imate ocen dovolj. Ocene se bodo zaključevale na podlagi ocen, ki ste jih pridobili do sedaj. Pogoj za zaključeno oceno pa je sprotno opravljanje nalog.

Verjamem, da bi vsi rajši sedeli v šolskih klopeh, ampak to trenutno žal ne gre, zato se skupaj potrudimo, da se nam uspe naučiti čim več! (In ne pozabite, čez nekaj desetletij se bodo učenci učili o nas in o tem, kako smo se spoprijemali s karanteno!)
Ostanite zdravi in optimistični ☺

Tokrat je snovi nekoliko manj zaradi dneva dejavnosti, ki ste ga imeli v 6. Tednu. Prav tako navodila niso razdeljena po urah ☺

V tem tednu nadaljujemo z obravnavo 6. enote – **Under the sea.**

Najprej se bomo sprehodili po praznem akvariju. Potem si bomo prebrali, kaj so med obiskom akvarija doživeli Carla, Nick, Sophie, Sam in Lucy.

Ali si že kdaj obiskal akvarij? Poglej si naslednji posnetek. Poglej posnetek na :
