MY PREDICTIONS (MOJA NAPoved)

OK, like all of us ^{we} are home too. I think everything will be fine, we just have to look after ourselves and follow the advice of the ^{authorities} in less than a month, in my opinion, we will be behind the school benches. So don't worry. We will be back to that class that won't be quiet for at least 2 minutes. Although this year we most likely won't go to school in nature, we still have the opportunity to study for tests now that we are home.
